

Time for the finishing touch! Sign in the box below, and we'll have it ready whenever you need it. Feel free to upload as many as you want.

Instructions:

1. Print this page and sign in the light gray box below with a blue or black pen. Your signature is always printed in black.
2. Scan this form with your scanner as **grayscale** at **300 dpi**.
3. Upload the entire form when prompted. You can upload almost any image type – JPG, GIF, TIF, PNG and PDF are all supported.
4. Select your signature to add it to your card – just like you add a photo.

Don't own a scanner? No problem! Mail the signed form to us with your Cardstore account email address and we will add your signature to your account for you.
